Tesla participates in the [E-Verify Program](#)

Tesla is looking for an experienced Mobile Tire Technician to work on one of the most progressive vehicle brands in the world. This position requires a significant amount of customer interaction, so the ideal candidate will not only possess the technical acumen, but also the ability to provide a strong level of customer service. This position will service the Devon area; however, the role will require daily travel within the region directed by Mobile Tire Dispatch team. If you are interested in becoming a part of a world-class service team supporting the latest EV technology, we are interested in hearing from you. More details about the job are listed below:

Responsibilities:

- Performs apprentice level work in the inspection, repair, and service of Tesla electric vehicles
- Operate a variety of hand, power, and shop tools

- Operate a variety of hand, power, and shop tools
- Perform equipment inspections, adjustments and certifications
- Maintain records of time, expenses and materials
- Perform other related duties as assigned
- Help maintain cleanliness of vehicles
- Effectively handle multiple priorities, organize workload, and meet deadlines
- Support other Mobile Service technicians and Tesla Service Centers as needed
- Daily regional travel

Requirement:

- Knowledge of methods and techniques in the maintenance and repair of vehicles
- Understanding and training on mounting and balancing tires and tire repair
- Trade school training/ ASE's a plus
- Excellent oral and written communication skills as well as the ability to follow instructions
- Ability to establish and maintain cooperative working relationships with those contacted in the course of work, including the public and multiple internal stakeholders
- Ability to quickly learn and adapt to new systems, processes, and a dynamic work environment
- Must be willing to become DOT certified
- Experience operating a tow and trailer
- Must be comfortable with daily regional travel and operating a large service vehicle
- Must display a sense of urgency when responding to customer Roadside Assistance needs
- Excellent customer service and problem-solving abilities
- Must be 21 year of age or older

Employee Benefits

- *As a full time Tesla employee you will receive full benefits from day 1 for you and your dependents.*
- *Kaiser and UnitedHealthcare PPO and HSA plans (including infertility coverage)*
- *3 medical plan choices with \$0 paycheck contribution*
- *Vision & dental plans (including orthodontic coverage)*
- *Company paid Life, AD&D, short-term and long-term disability*
- *401(k), Employee Stock Purchase Plans, and other financial benefits*

- *Employee Assistance Program, Paid Time Off, and Paid Holidays*
- *Back-up childcare and employee discounts*

About Tesla

Tesla is accelerating the world's transition to sustainable energy. We design, manufacture, sell and service the world's best solar technology, energy storage systems, and electric vehicles, providing customers the opportunity to generate, store and consume energy entirely sustainably.

Tesla is committed to hiring and developing top talent from around the world for any given discipline. Based in California, Tesla's workforce spans across four continents. We work to build an inclusive environment in which all people, regardless of gender, race, religion, or background, can come to do their best work.

Our world-class teams operate with a non-conventional philosophy of inter-disciplinary collaboration. Each member of the team is expected to challenge and to be challenged, to create, and to innovate. We're tackling the world's most difficult and important problems—and we wouldn't succeed without our shared passion for making the world a better place.
